MEMORANDUM FOR:

Mr. Andrew W. Marshall

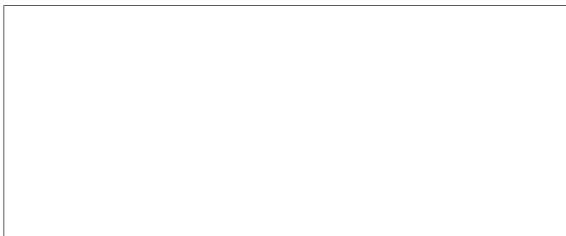

SUBJECT: Structure of the Intelligence Community

1. Attached is a rather wordy memo I derived after further study of your excellent preliminary draft memorandum summarizing the shortcomings of the intelligence community today. I hope this will begin to move some action in our quarters in your direction.
2. We are already proceeding with the merging of DDI with the NIO structure. As I indicated in the memo, we'll look at whether that can be a permanent divorce from the CIA.
3. I'd sure enjoy and appreciate another chance to visit on this and any other work you have done to fill in the plan of action. I am ready to go!
4. Thanks.
